Pro-Linea Door Handle Pz 92/62

Our designer range of Pro-Linea door handles makes a bold style statement, enhanced by a range of attractive finishes including:

- Contemporary Chrome
- Elegant Gold
- Traditional Black
- Minimalist White

Both lever and pad Pro-Linea handles have been ergonomically designed for optimum comfort and ease of operation when in use. Their soft lines perfectly complement the chamfered appearance of modern door styles.

For use with unsprung door locks or to avoid the problem of "sagging" handles, a spring module has been built into the Pro-Linea handle backplate to ensure that the handle always returns to 90° after each use.
